

Case Study #2

Convert As400 Reports to PDF, Without Loss of Formatting

Problem:

An As400 user wants to archive reports in PDF format and still maintain fonts, formatting, graphics, and logos.

Solution:

OctoPCL™ with OctoPDF will convert an AS/400 PCL report stream to non-searchable PDF maintaining the report format including font styles/sizes, formatting, graphics and colors.

Once the reports are processed they may also be encrypted and/or emailed.
